VISION

Moe Neighbourhood House aims to provide support, respect and a place of belonging through community participation.

HISTORY

Moe Neighbourhood House was established in 1983 and is governed by a Volunteer Committee of Management comprised of volunteers and house participants, who have the best interests of the neighbourhood house and the community at heart. The centre is sensitive to the needs and possible behaviours of people in crisis and recognises that this requires the provision of professional development and training opportunities for all staff, volunteers and committee members in areas of skill such as conflict management and resolution, communication and group dynamics.

Moe Neighbourhood House works within a community development framework and within a membership-based governance model. This builds social connections and networks based on trust, respect and reciprocal interaction – known as social capital.

Coordinators Report

Annual General Meeting 2016 – 2017

Firstly I would like to thank everyone involved with the House, this includes all of the Committee of Management, the Tutors, Childcare Staff our participants and all of our Volunteers. I would also like to thank all of our Networks and Funding Bodies. Without this dedicated support and commitment we would not be able to continue running the services and offer the support to community that we strive to achieve.

Our classes have been going well, with good participation from the community. It is so heart-warming to see people start off shy and vulnerable, then over the weeks flourish into a social member chatting with everyone.

Our relationships with other organisations continue to grow, we have a good reputation for being inviting and welcoming when they run programs from our venue.

Moe Life Skills Men's Shed is still enjoying our facilities; it is great to see how the team are progressing each week and the wonderful items they are making.

We continue to be involved with the work for the dole program, having participants doing office/reception and gardening. Our grounds are looking good with the continual upkeep. The participants of this program and our volunteers do a terrific job.

Overall it has been a very busy year with lots of challenges and professional development, all of our experiences have helped us grow and become a better team.

Starting in November I will be reducing my hours and Job sharing. I would like you all to welcome Marti as you have me. This will be a great journey and a good improvement for the future of the house.

Presidents Report

It is my pleasure to welcome you all to Moe Neighbourhoods House AGM for 2017. I hope that after our meeting has finished, you will be able to stay for a while and enjoy some refreshments and spend some time catching up with others.

When I took over as President one year ago, I was completely terrified, and feeling completely inadequate for the task before me! (I still feel like that at times!)

This last year we have often quoted the words “**We are Building Bridges.**” Building bridges into our Community and determining needs and interests. Building Bridges with different Organisations’ and Departments and funding bodies to work together and share expertise and resources to meet these needs. Also building bridges to find new, fun and innovative ways to bring the community together. Some of these Bridges were already established and others are slowly being built.

Building Bridges is often a slow and tedious task, but extremely rewarding and beneficial to our whole community. This year has been a real learning curve, with many new ideas, plans and projects in the pipeline. We will keep you posted on progress!

I would like to give a great big **Thank You** to our great team here at MNH. To all our office staff who do a wonderful job keeping this place running so well, you just buckle down and perform miracles at times. The Committee has been fantastic, inspiring and hard working all year. Thank you for your patience with me as I learn the ropes! To all our tutors who share their expertise with us and our students who keep our place humming along, a big Thank you too.

A big **Thank You** also to our volunteers and our people doing Work for the Dole here. You all do a wonderful job with the office, gardens, maintenance and different jobs around the place. We wouldn’t be able to do what we do without your help.

Thank you all for coming today. I hope you have a fantastic year and we see you all safely back soon.

Treasure’s Report

The year of 2017 has been a good year for Moe Neighbourhood House, thanks to the dedication of the staff and volunteers, the house has managed to have a healthy bank balance at the end of the financial year.

Equipment has been serviced and tested and tagged as required. This ensures that equipment is up to date and working efficiently.

Classes are looking healthy, and classes that were not financially viable due to low attendance have been cancelled as required.

The house is in good shape and we are looking forward to another year of bigger and better things to come.

Sincerely,

James Montgomery

**MOE NEIGHBOURHOOD HOUSE INC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENED 30 JUNE 2017**

Note 1: Summary of Significant Accounting Policies

These financial statements cover Moe Neighbourhood House Inc as an individual entity. Moe Neighbourhood House Inc is an incorporated association.

Basis of Preparation

The committee has determined that the entity is not a reporting entity. This financial report is a special purpose financial report prepared for the purpose of fulfilling the committee's financial reporting requirements of the Associations Incorporation Reform Act 2012.

The financial statements, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest

(a) Employee Provisions

Provision is made for the entity's nominal liability for employee benefits arising from services rendered by employees to the end of the reporting period. In determining the liability, consideration is given to employee wage increases and related on-costs and the probability that the employee may not satisfy any vesting requirements.

(b) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(c) Plant and Equipment

Plant and equipment have been recognised at cost, and are depreciated over their estimated useful lives between 2 years and 10 years.

(d) Revenue and other income

Non-reciprocal grant revenue is recognised in the profit or loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

Revenue from the sale of goods and rendering of a service is recognised upon the delivery of the goods or service to the customer.

Donations, fundraising revenue and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

**MOE NEIGHBOURHOOD HOUSE INC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENED 30 JUNE 2017**

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office.

Receivables and payables in the statement of financial position are shown inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(f) Accounts Payable and Other Payables

Accounts payable and other payables represent the liabilities outstanding at the end of the reporting period for goods and services received by the entity during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

INDEPENDENT AUDITOR'S REPORT

To the Members of Moe Neighbourhood House Inc

Qualified Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Moe Neighbourhood House Inc ("the Entity"), which comprises the balance sheet as at 30 June 2017, and the profit & loss for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and committee declaration.

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the financial report presents fairly, in all material respects, the financial position of Moe Neighbourhood House Inc as at 30 June 2017, and its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Basis for Qualified Opinion

Revenue

It is impracticable to establish controls over all monies received prior to entry into the financial records. Accordingly, as the evidence available to audit regarding revenue was limited, our audit procedures were restricted to the amounts recorded in the financial records and we are therefore unable to express an opinion on whether the recorded revenue is free of material misstatement.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis of Accounting

Without further modifying our opinion, we draw attention to cash the basis of accounting. The financial report has been prepared for the purpose of fulfilling the committee's financial reporting responsibilities. As a result, the financial report may not be suitable for another purpose.

Responsibilities of Management and the Committee for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

The Committee is responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.
